Worth Careful Thought

Do you read the label to know whether your baking powder is made from cream of tartar or, on the other hand, from alum or phosphate?

Royal Baking Powder is made from cream of tartar, derived from grapes, and adds to the food only wholesome qualities.

Other baking powders contain alum or phosphate, both of mineral origin, and used as substitutes for cream of tartar because of their cheapness.

Never sacrifice quality and healthfulness for low price.

Death of Charles B. Story

Word has been received of the death of Charles B. Story at his home in East Greenbush, N. Y., on Oct. 11 at 7:30 a. m. He had made a valiant fight for life for more than two months, after a constitutional breakdown due to overwork. Through his zeal for the up-building of the little village in which he lived the population has become almost doubled in four years mainly through his leadership and enterprise.

Mr. Story was a native of Cambridge, Vt., where he was born May 11, 1858, a son of Elijah and Judith Story. On Dec. 10, 1885, he married Miss Rose E. Elliott and for more than twenty years before moving to East Greenbush the family resided in Hoosick Falls, N. Y. He began his real estate enterprise in East Greenbush four years ago.

Mr. Story came to Johnson when a small boy with his father's family and lived here until a young man. He was a member of the Hoosick Falls Lodge, F. & A. M., an associate member of Hoosick Falls G. A. R., a member of Hoosick Falls Camp, S. O. V., also a member of the East Greenbush Reformed Church and Grange.

He is survived by his wife; two daughters, Misses Nita A. and Marie A. Story; a sister, Mrs. T. J. Boynton of Everett, Mass., and two brothers, Leon E. Story of East Greenfield, Mass., and Sumner D. Story of Berlin, N. H.

Mr. Farman is well-known all over the state as the blind chaplain of the Senate, which position he has held a number of years. Every one should hear this lecture. No admission will be charged but a collection will be taken during the evening. Everybody come and bring your change.

Noted Actor Coming

Johnson High school has taken a rather daring step in assuming the responsibility for the production of a musical comedy, "The Village Doctor," by John Thomas and his company for the start off in the entertainment course. The first number alone costs Johnson more than an entire course like the one given last year. The principal of the High school is of the opinion that if a course of this sort is to be taken on at all, it should be a good one, one that people will be glad to have an opportunity to attend. If the opera house is sold out, his opinion will be justified.

The entire entertainment course is as follows:—November 16, The John Thomas Company in "The Village Doctor"; Dec. 9, The Pierces in "Postponed"; Jan. 11, Rufus E. King, lecturing on "The Almighty Dollar"; Feb. 28, S. Platt Jones, Character Study Man; April 10, Ray Newton, Magician.

Tickets are on sale at Scott's store in Johnson and by the student committee in charge, Chas. Redstone chairman. A big electric sign announcing the advent of the actor will be suspended on Main street this week.

Soldiers Got Relief From Sorenes

Boys on the Border Relieved Their Pains and Aches with Sloan's Liniment.

Once upon a time Norman Jones, serving in the National Guard at El Paso, returned to camp, after a strenuous 15 mile hike foot-sore and weary. He had not been long in active service and his shoulders, back and limbs felt the after effects of marching. Remembering Sloan's Liniment, Jones applied it to the sore spots and went to bed. He writes: "I awoke the next morning feeling fine; in fact I had entirely forgotten about the hike and went out for a four-hour drill in the sun as spry as ever."

Private Jones passed the experience along, and many a boy on the border relieved the agony of sprains, strains, bruises, insect bites, cramped muscles, rheumatic twinges, etc., by the use of Sloan's Liniment.

Easily applied without rubbing. At all druggists, 25c., 50c., \$1.00.
